Inter-Office Memorandum

Date: 11/4/47

To: Miss Fitton

From: Charlotte Taylor

Subject: Barter Island/ Kaktoavik Island, Alaska

There is confusion as to whether the name Barter should be applied to the group of islands or to the single island which appears on the Coast and Geodetic Chart 9400 as Kaktoavik Island.

This call came in by telephone on October 20, 1947 and has been answered with a temporary recommendation. See work cards for evidence.

Barter Islands, the group, and Barter Island/ Kaktoavik Island have both been placed on the docket as of 11/4/47.
